

SHATTERWOOD INN

29

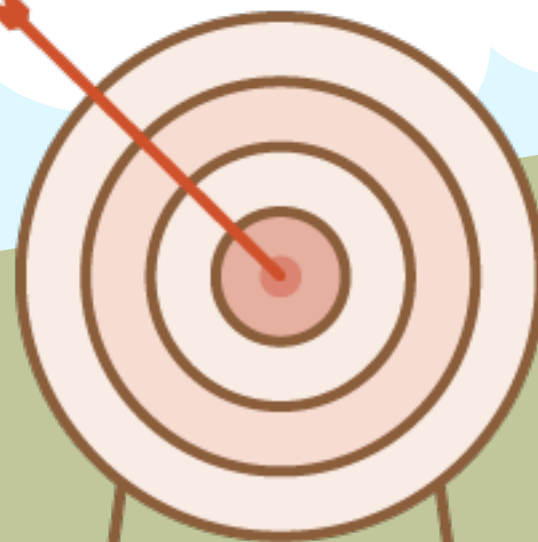

What if you could turn into an
elephant, be REALLY beefy?

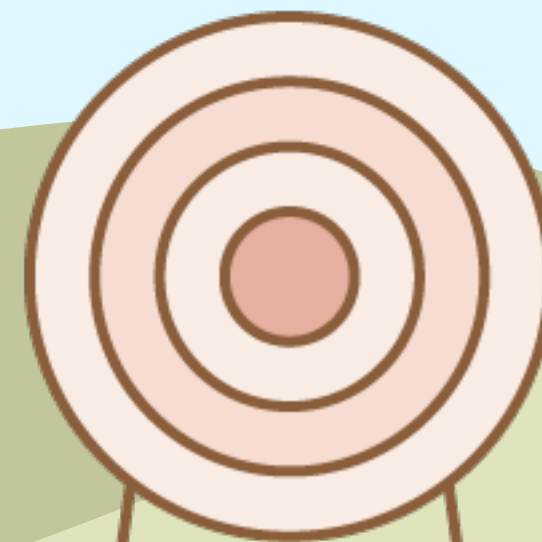

Of course he is.

I'm pretty sure,
by definition, that's
what the thing is.

No.

A horizontal wooden sign with a natural wood grain pattern, featuring knots and varying shades of brown. The sign has irregular, hand-cut edges. It is suspended by two dark grey metal chains, each with three visible links. The chains are attached to the top of the sign via small white circular fasteners.
